Great - thanks Mike. I just sent an email to Marie Bracamonte from Beyond the Bell to find out who can join us for the site visit. I'll follow up with her tomorrow. One thing worth finding out is whether the principals at RFK already have BTB staff that they enjoy working with and whether those staff already have spots on campus that they enjoy working on after school. If so, the weekend CSPs could be in the same spots.

Thanks,
Anna

Still working on it. Followed up with Klarissa from Monica Garcia's office again. Wrote a sample letter for them to consider. Will keep the group updated!

We should have a letter/message from Principal Rosa Trujillo in support of a CSP at RFK before Thursday. Who at RFK should receive this?

Subject: RFK School Park - Conference Call Postponed

Good Morning,

I would like to postpone Wednesday's conference call.

The principals meeting that we were waiting to hear back about was canceled last Thursday. It has been rescheduled for this Thursday.

I spoke with Rosario from RFK this morning and she said that she has enough information to present the idea to the principals. I will then follow up with her after that.

Based on that feedback I will contact the group to schedule a campus site visit (as recommend by Debbie from RFK who I spoke to on Friday) or possibly meeting with principals and RFK Staff to discuss in more detail.

We can speak on the phone before then.

Thank you,
Mike Russell
